Dear Clerk,

Membership of Rural Community Council of Essex

I must begin by thanking you most sincerely for supporting Rural Community Council of Essex (RCCE) as a member in 2025/26. We are the only charitable organisation in Essex working exclusively to help people and communities in rural areas build a sustainable future and the past year has again seen us working across Essex to help village halls, parish councils and other local groups improve the provision of community facilities, provide more affordable housing for local people, encourage community engagement, and tackle social isolation.

The bedrock of RCCE is its membership. We offer a range of membership categories relevant to the needs of organisations, community groups and individuals that care for our rural communities. In readiness for the 2026/27 financial year, the attached booklet will provide you with more information about RCCE membership, the services we provide, the categories we offer, and the wider benefits membership brings to those who join us. Attached with this is a contact list for RCCE staff together with a list of events we are organising in 2026. All are available to members either free of charge or at a subsidised cost.

A reminder also for Parish and Town Councils that own or manage a village hall or community building, as more are now doing, we have a bespoke category of membership that means you do not have to affiliate separately as both a parish council

and a village hall. One payment will provide you with access to the full range of services. If you do not currently subscribe to this category but would like further information about it, please contact Sara Ward at sara.ward@essexrcc.org.uk

As a Parish Council member your membership category will be Band 1- population under 500, the membership fee for 2026/27 will be £53.00 plus VAT @ 20%. A membership form is attached for your convenience.

I do hope you will renew your membership for the coming year. This will play a valuable role in securing RCCE's future so we will be there to support you as you work to keep our rural communities thriving.
