

Your recycling and waste collection calendar is changing

From **Friday, 9 October 2026**, your property will move to a new collection calendar.
(Your collection day will remain Friday)

Your collection for **Friday 2 and 9 October** will be:

- Household waste (Grey bin)
- Food waste
- **Green Box** recycling

**TWO
GREEN BOX
COLLECTIONS
IN A ROW.**

From 2 October, please follow your new collection calendar for future collections.

From Friday 9 October, please start putting the extra recyclable items in your green boxes:

- ✓ Glass bottles and jars
- ✓ Plastic pots, tubs and trays
- ✓ Juice and Tetra Pak cartons
- ✓ Foil trays
- ✓ Metal and plastic tubes

**GARDEN WASTE COLLECTION
DAY REMAINS UNCHANGED**

Tendring
District Council

Refer to your new recycling guide and calendar for further information on how to recycle the extra items using your red and green boxes and to recycle food.

TOP TIPS FOR RECYCLING

- Make use of the weekly food waste collection
- Rinse out containers
- Rinse and squash plastic bottles, so they take up less space in the recycling box.
- Juice cartons (Tetra Pak) go in the **GREEN** recycling box.
- You can use any suitable container to present your recyclable items at the kerbside.

IMPORTANT INFORMATION

- Your wheelie bin and recycling containers must be out by **7am** on your day of collection
- Remember your wheelie bin lid must close, we will not collect any unauthorised bags left on top or alongside your bin
- We will only empty waste from an authorised black Tendring District Council issued wheelie bin. No other wheelie bins will be emptied

REMEMBER batteries can cause fires if you throw them in your recycling or waste bin – recycle them properly at a household recycling centre or local supermarket.
